overcome them."</h1>
            <br>
            <h1>Student Computer Science</h1>
            <br>
            <p>I'm Muhammad Fahad, and I am currently a Student in
undergraduate, My degree is in Computer Science. I like Coding and I am Hard
working at coding. I learned C#(.Net Framework), C, C++ and SQL(Basic).
<br><br>
                I am interested in Android Developer, AI, and Backend
Developer.<br><br>
                My passion for education comes from my experience as a student
who confronted my own learning differences. This journey has led me to
appreciate the complexity and nuance of learning and pursue career supporting
and advancing opportunities. Since childhood I am interested in technology and
```

innovations and in the world of computers. I am always curious to explore and experience the latest modern world technologies. I am currently studying Computer Sciences to learn and achieve different coding and programming skills to enter in the world of Software Development. My aim is to be a Software Developer. I am also interested in Backend Developer, AI and Android Development. I love problem solving and helping others.
